## GREGORY FIELD, C.A.

Director

Finance

**GREG FIELD** leads a team of accounting and business professionals to oversee all financial activities of the company. He brings over 20 years of business experience from having worked as a chartered accountant in Nova Scotia, New Brunswick and Quebec, as well as the 15 plus years of experience in Walsh Group companies. He received his CA designation in 1978 in Nova Scotia, left Raymond Chabot Grant Thornton in 1992 and joined Walsh Automation shortly thereafter, as controller. Over the years Walsh Group grew to over 400 employees and all companies in the group, except Forensic Technology and its subsidiaries, were sold; whereupon Mr. Field transferred from the Walsh Group to become Controller of Forensic Technology, where he was subsequently promoted to his present position.
